

## Apex Pleated Blinds

*The new and unique  
Apex window blinds*

*This high impact  
window dressing looks  
great in any window.*

*The contemporary  
strong lines of the  
50mm pleats provides a  
clean and elegant look  
that opens up new  
decorating possibilities  
for the modern home.*

*Apex blinds are the  
most energy efficient  
blinds available. Giving  
you fantastic saving in  
both summer and  
winter.*

*There is minimal stack height when the blind is up for even greater light control during the day, and then when down, the Apex fabrics look absolutely stunning*

*The unique, oversized pleats create a stylish finish to any room, making you the envy of all your friends.*
